

Elite Spiral Stairs The Classic

Designers, Manufacturers & Suppliers of Quality Spiral Stairs

The Classic

This 4' 6" (1370) Model shows how *Elite* has rebated the treads for carpet inserts (optional extra).

The *Classic* is available in 6 different sizes see Technical Information sheet for details.

The Classic

This is the Standard Brass Baluster from *Elite Stairs*. The close taken photograph shows the superb quality of the balusters.

The above picture shows how Elite has formed the Guard Rail using the Standard Brass Baluster and the Brass Newell Posts and Finials. Balusters are available for any landing situation. Please ask *Elite's* Technical Department for details

This is the range of Brass Balusters and Standard components available on any stair produced by

Elite Stairs.
